PUBLIC CONSULTATION STRATEGY – COMPLEX FORM

OFFICIAL PLAN & ZONING BY-LAW AMENDMENTS, PLANS OF SUBDIVISION AND CONSENTS

As per recent changes to the *Planning Act* introduced through Bill 73, *Smart Growth for Our Communities Act, 2015*, a public consultation strategy is required for applications for Official Plan amendments, Zoning By-law amendments, plans of subdivision, and consents before the application is deemed to be 'complete' as defined by the *Planning Act*.

The purpose of this particular change to the *Planning Act* is to highlight the importance of public participation, to provide the public with greater certainty regarding how they will be engaged in the planning process, and to provide municipalities with the opportunity to create locally-tailored public consultation policies.

Formal notifications of planning applications, as prescribed by the *Planning Act*, include:

- 1) Circulation via mail to all landowners within 120 meters of the subject lands; and
- 2) Posting of a public notice sign, which is clearly visible and legible from a public highway or other place to which the public has access.

To meet the expectations of the public consultation strategy requirement, as prescribed by changes made to the *Planning Act* through Bill 73, Haldimand County requires that you hold a private open house to inform the surrounding landowners of your proposal prior to or during the processing of your planning application. Please answer the following questions regarding the required open house.
